

Dear all our friends,

Asian EUS Congress 2019 has successfully completed with great advancement of EUS/EUS-FNA because of your contribution!!!

I have really appreciated your attendance and your discussion at this congress. Recently EUS/EUS-FNA have advanced day by day. I hope Asian EUS Congress 2019 could cover all area and could satisfy your interests, and finally could contribute patients benefits in the clinical fields. Kitasato Inteventional EUS workshop could also help beginners of endosonographer to become skillful with some tips & tricks.

Full bloom of Cherry blossom has passed 1 week ago at that time. I hope you will meet the Full bloom of Cherry blossom at your next time visit of Japan.

Finally, I have proposed memorial gallery of Asian EUS Congress 2019 and see you in Hong Kong in 2021.

Mitsuhiro KIDA
Chairman of Asian EUS Congress 2019
